- Inclusion of Skill Courses & Employability
- NEP 2020 : A Roadmap for Aatm Nirbhar Bharat
- Role of Mathematics and Computers in New Education and Real Life
- Sustainable Development and Its Applications in Physical and Biological Sciences

ABOUT UPRTOU

U.P. Rajarshi Tandon Open University was established through the UP Act No. 10 of 1999 as passed by the Uttar Pradesh legislature. This University was named after Rajarshi Purushottam Das Tandon, an illustrious son of India from Prayagraj who made great sacrifices for the sake of our independence and dedicated himself to the cause of Hindi as the National Language. The jurisdiction of the University covers the whole state of Uttar Pradesh.

ABOUT SHUATS

Sam Higginbottom University of Agriculture, Technology and Sciences (SHUATS) is a government-aided institution in Prayagraj, Uttar Pradesh. Established in 1910, SHUATS has been a pioneer in agricultural and technological education, offering India's first degree in Agricultural Engineering in 1942. With a legacy of innovation and excellence, SHUATS is committed to advancing scientific, technological, and agricultural research and education.

ABOUT NEP : GOST

The National Conference on National Education Policy: Growth of Science and Technology aims to explore the transformative potential of the National Education Policy (NEP) in fostering innovation and excellence in science and technology. With a focus on integrating multidisciplinary approaches, promoting research, and leveraging advancements in technology, the seminar will bring together educators, researchers, policymakers, and industry experts. It provides a platform to discuss the implications of NEP in reshaping the education landscape, encouraging critical thinking, and addressing challenges in scientific research and technological development. By fostering collaboration and knowledge exchange, the seminar seeks to align educational frameworks with the demands of the 21st century, ensuring sustainable growth and global competitiveness.

ABOUT ICSSR

What does ICSSR do?

Indian Council of Social Science Research (ICSSR) was established in the year of 1969 by the Government of India to promote research in social sciences in the country.

What is the role of the Indian Council of Social Science Research?

ICSSR provide grants for projects, fellowships, international collaboration, organizing seminar / conference, capacity building, survey, publications etc. to promote research in social sciences in India.
