Invitation

Dear Sir/Madam

Government Girls P.G. College, Etawah invites you to attend a National Seminar on, Women Empowerment and Inclusive Growth to be held on 23-24 February, 2025 at college campus.

About the City

Etawah has a rich and prosperous history. It is believed that the land existed right from the Bronze Age in the medieval times. The earliest people of the Aryan race who once lived here were known as the Panchalas.

Etawah was an active hub during the revolt of 1857, and multiple freedom fighters fighting against the British Raj lived here during the tenure of the revolt. The name Etawah is derived from the term used for brick burners as there are thousands of brick centres near the boundaries.

About the College

Government Girls P.G. College, Etawah was established in 1988 and was provincialized in 1991 by the then Honorable chief Minister Mr. Mulayam Singh Yadav. The College is situated in the heart of the city and is just 300 mt. from the railway station and 1 km. from the bus stand.

The college campus is spread over in 6 acres area.

About the Seminar

India's economy has experienced a gradual transformation since independence. The economic growth of India is the result of the contributions of the citizens, policy makers and the expansion plans adopted from time to time. When we talk of the contributions in the economic growth, the role of women cannot remain unobserved. Today, due to forces of globalization and liberalisation, India is experiencing a wave of transformation in its growth and any strategy aimed at economic growth will be incomplete without inclusion of women.

This seminar will also focus to ignite the deliberations for bridging the gap between the regulations and the ground reality of the position of women in Indian society. To discuss the role of women in India's inclusive growth and how women empowerment can increase the velocity of inclusive growth, through capacity building.

In this backdrop, of our country the Government Girls P.G. College, Etawah is going to organize a Two-Days National Seminar on Women Empowerment and Inclusive Growth will be the key points of the seminar.

Women Empowerment and Inclusive Growth
